Australian Military Medicine Association

Statement of Objectives

The Australian Military Medicine Association is an independent, scientific organisation of health professionals with the objectives of:

- **promoting the study of military medicine**
- **bringing together those with an interest in military medicine**
- **disseminating knowledge of military medicine**
- **publishing and distributing a journal in military medicine**
- **promoting research in military medicine**

Membership of the Association is open to doctors, dentists, nurses, pharmacists, paramedics and anyone with a professional interest in any of the disciplines of military medicine.

The Association is totally independent of the Australian Defence Force.
